The orders contained in Govt. Resolution, Finance Depart-ment, No. 2818, dated the 12th May 1951 have been noted.

2. In the orders it has been stated that the concession Sanctioned in Govt. Resolutions, F.D., No.2818, dated the 31st May May 1949 and 11th November 1949 should be continued till the 31st March 1953. In this connection it may be pointed out that the limit of the motor car advance sanctioned in G.R. , F. D., No.2818 dated the 31st May 1949 has been modified by G.R., F.D., No.2818, dated the 11th November 1949 and the limit of the motor cycle advance sanctioned in G.R., F.D., No.2818, dated the 31st May 1949, has also been modified by the G.R., F.D., No.2818, dated the 8th January 1951. In the latter G.R. it has been stated that the orders therein are to remain in force till 31st March 1952. This latter G.R. has not been includ-ed in the F.D., G.R., under disposal which states that as the prices of motor cars and motor cycles are still high the existing orders should be continued till 31st March 1953. As the F.D. has included the motor cycle also within the purview of the present orders it is presumed that orders in G.R., F.D., No. 2818, dated 8th January 1951 are superseded by the orders in G.R.,F.D., No.2818 dated the 12th May 1951 and that they also will remain in force till 31st March 1953 instead of 31st March 1952. The F.D. may be requested to kindly to clarify the position and if the above presumption is correct, to issue orders to that effect, if considered necessary.

U.O.R. to the F.D. dated 19-6-51

Fin. Deptt.IV

The P.W.D. wants to know whether the orders issued in G.R., F.D. No. 2818 dt. 8-1-1951 are superseded by the orders issued in G.R. F.D. No.2818 dt. 12-5-1951.

2. The G.R. of 8th Janr. 1951, refers to motor cycle advances directing that a minimum advance of R. 1500/- can be sanctioned to any touring Govt. officer. These orders are to remain in force till 31-3-1952.

3. A similar concession in respect of motor car advances (viz. minimum of Rs. 4000) is sanctioned by Govt and the concession is extended till 31-3-1953 by the orders issued in G.R.F.D. No. 12-5-1951. Ordinarily the concession about m. cycle advance should also be extended till 31-3-1953 so as to be [illegible] with the concession of minimum advance in respect of m. car advances . This may be done when the concession in respect of motor cycles expires on 31-3-1952.

4. As regards the orders issued in G.R. No.2818 dt. 31-5-1949 which have been extended upto 31-3-1953 these orders pertain to higher limits for motor cycle advances and it was necessary to continue these orders after their expiry on 31-3-1951.

5. The P.W.D. may thefore be informed that the answer to para 1 above is in the negative and the orders issued in G.R.F.D. No. 2818 dt. 8.1.1951 which are in force upto 31-3-1952 will be extended in due course.

These orders require confirmation. It is not clear whether the pppers were shown by P.W.D. at u.o. stage as there is no u.o. stamp on these papers. It appears that F.D.'s prior approval to these orders seem necessary. It should have been taken by P.W.D. The P.W.D. may be requsted u. o. to clarfiy and forward the underly--ing papers for F.D.'s perusal.

Presumably F.D. was not consulted in view of the delegation If it is a motor car advance, we should know whether a motor car is considered a necessity (of B.C.S.R. 490 A) and should be shown the papers.

2. Please see P.W.D. note overleaf. That Deptt. has sent the papers underlying the orders sanctioning the motor-car advance to Shri J.P. Aranha, Officiating Deputy Engineer. In this connection attention of P.W.D. is invited to this Deptt. note dated 17/1/53 on that Deptt. file No. ADV 5452/123229 regarding the sanction of motor-car advance to Shri J.D. 3. It is necessary that, while sanctioning the advance to Shri Aranh, the P.W.D. should have satisfied that the conditions mentioned in explana-tion below B.C.S.R. 490-(A)-(IV) have been satisfied. Since however the car-advance is already sanctioned by the P.W.D. , F.D. may not object. Resolution No.2818.

Read Government Resolution, Finance Department, No.2818, dated 20th February 1947, and Government Resolution , Finance Department, No. 2818, dated 21st May 1949.

RESOLUTION.- It has been represented to Government that the concession sanctioned in Government Resolution, Finance Department , No. 2818, dated 20th February 1947, raising the maximum limit of the advance to Rs. 10,000 or six months' pay or the anticipated price of the car whichever is the least does not meet the case of low-paid Government officers who are required to do touring in the c ourse of their official duties. Government is, therefore, pleased to modify the limits prescribed in the abovementioned Resolution as follows:-

"Provided that where six months' pay is less than Rs. 4,000 , the relevant amount shall be Rs. 4,000 instead of six months' pay."

"The advance shall be recovered in 60 monthly instalments instead of 48 as at present."

Copy of Unofficial reference dated 10th February 1950 from the Public Works Department.

The A.G. Bombay certificate that the funds to the extent of Rs. 6,90 and 7,92Ø- are available during the current year for sanctioning advance to Messrs Suryavamshi & Basrur respectively. In view of the orders issued in G.R. F.D. No 2818 dated 11th June 1949, it is presu--med that it is not necessary to consult F.D. in the matter. However, the papers may be shown u.o. to the F.D. with a request to confirm the presumption made above before issue of the draft.

Copy of Finance Department note dated 22nd February 1950.

It will be seen from Serial No. 36 of the Manual of Finahcial Powers that the power to sanction to permanent Govt. servants motor car advances and motor scycle advances and for the purchase of conveyances other thanmotor car, motor boat or motor cycle has been exercised by the Administrative Deptts. of the Secretariat subject to the condition that the Accountant General certifies that funds are available.

2. The Administrative Departments of the Secretariat are also competent to sanction to temporary Government servants advances for purchasing means of conveyance other than motor car, motor boat or motor cycle subject to the condition that the A.G. certifies that the funds are available. It should be certified in the orders sanctioning the advance that there is a reasonable prospect of the officer continuking in Government employ till the complete repayment of the advance. Further it may be seen from the G.R., F.D. No.2818 dated 11th June 1949, the Administrative Departments are competent to sanction to temporary Government servants advances for the purchase of motor conveyances subject to the condition that the Accountant General certifies that funds are available and that a certificate to the effect that the officers will continue in Govt. employ till the complete repayment of the advance is obtained.

3. Hither-to the cases about advances for the purchase of conveyances were referred to this Department on the point of insurance and budget provision. By the G.R., F.D. No. 3464/33 dated 15th December 1949, Government has directed that whenever it is

found necessary to insure Government ~~han~~ property or property Controlled by Government or by any of its officers in his official capacity, insur--ance should be effected with the Indian Insurance Companies Association Pool only. The Departments of the ~~Secretariat~~ Secretariat are informed that it is not necessary to consult the Finance Department at the time of issuing orders sanctioning advances for the purchase of motor vehicles of before insuring any Government or Government controlled pro--perty for advice regardong the name of the Indian Insurance Company with whom the motor vehicle or the property should be insured. The Department should direct the officers concerned to insure the motor-cycles with the Indian Insurance Companies Association Pool.

4. In the circumstances explained, F.D. may confirm the presumption made by the P.W.D. that it is not necessary to consult the F.D. except in cases when the A.G. certifies that funds are not available. F.D. may be consulted only if funds are not available to meet the expenses.
